

Voyage launches its Work Experience Programme for Graduates on the 18th May

Come and sign up at Hackney Community College Shoreditch at 10am to 12pm -

Voyage is recruiting for our Work Experience programme taking place in late June and August. We want your involvement in four special projects we have created to greatly improve our community and your employability options. In return you will receive:

- Compensation for your time
- A reference which will give you an incredible advantage for UCAS & higher education applications
- Support the building of key skills that will support your career aspirations and employability
- Entry to our peer programme leading paid roles and involvement in our European Project The four areas are:

CULTURAL HISTORY PROJECT

Learning interviewing, digitising and archiving skills

COMMUNICATIONS TEAM

Learning event promotion, marketing and project management skills.

YOUTH VOICE PROJECT

Learning skills enabling you to have a greater voice in issues happening around you.

CONSERVATION AND SUSTAINABILITY PROJECT

Learning skills enabling you to make environmental developments in your community.
